REMARKS

This is UNEVALUATED

In early June 1954, source obtained a tabulation of AVP garage installations completed or scheduled to be built.

25X1

25X1

Comment.

25X1

the AVP had a requirement for about 13,000 stalls for the storage of motor vehicles, armored vehicles, and heavy weapons. Each stall can accommodate two or three motor vehicles together, or two tanks, or one tank and one motor vehicle, or several artillery pieces.
